

Retail Reporting & Digitalization (Fresh Graduate Program 2025/26)

Are you a recent graduate looking for an opportunity to kick start your career with a personal and professional development program? Look no further and join our Fresh Graduate Program starting in September 2025!

We believe that we can only evolve and thrive as a company with highly diverse mix of employees and by ensuring a healthy work-life balance. We have a strong culture of collaboration and our group values "We Care, We're curious, We Progress" are guiding us along the way on our path into a sustainable future. This program is designed to help fresh graduates finishing their master's or engineer's degree to learn from experienced professionals and to establish broad understanding of the Fuels & Feedstock business. We will encourage you to take on new responsibilities, work across different functions, become involved in new projects. In return, we have excellent development programs that will help you achieve your career goals and reach your potential.

Key Responsibilities:

As a participant in the Fresh Graduate Program, you will:

- Digging into data to find trends and insights that help us make smarter decisions
- Creating clear reports and dashboards to track sales and performance across our network
- Working with loyalty program data to understand customer buying habits
- Analyzing sales data from our stores to spot trends, issues, or new opportunities
- Preparing regular reports and presentations for our Management and Sales teams
- Turning data into practical ideas to boost performance, customer engagement, and revenue
- Teaming up with Sales, Marketing, and Retail to deliver data-driven solutions
- Supporting daily retail and sales operations with regular analysis and insights
- Reviewing store performance and suggesting ways to improve results
- Helping with special projects when needed

Employee perks, benefits:

- Soft Skills Development
- Gaining knowledge in Value Chain Optimization, Sales & Retail, Asset Management, Finance & Business
- Career talks with Business Managers
- Site visits in OMV Entities, e.g. Refinery Schwechat
- Strategy, Innovation & Projects
- Performance evaluation and feedback talks
- Attractive benefit package including Yearly bonus, Commuting allowance, Multisport card, OMV Routex fuel card with employee discount, Meal allowance, Medical Care program, Flexible working time, Home-office days, Referral bonus and many others. (To learn more, visit our webpage.)

Requirements:

- Education – Master's or Engineer's degree in Economics, Finance, Accounting, Business, or a related field
- Proficiency in MS Excel and Power Bi, familiarity with other MS Office tools
- Open mind and highly developed communication skills in diverse team
- Willingness to work in a highly agile environment
- Proactive attitude and willingness to learn

Language Skills:

- Slovak language – fluent in written and spoken (C2)
- English language – fluent in written and spoken (C1)

Salary offer from 2 013,33 EUR/monthly gross
